MEET, RETREAT

Mote has been designed to provide a holistic solution when designing dynamic environments. Created as a complete lounge seating range, no detail is an afterthought, with every inch having been given careful consideration to eliminate dead space.

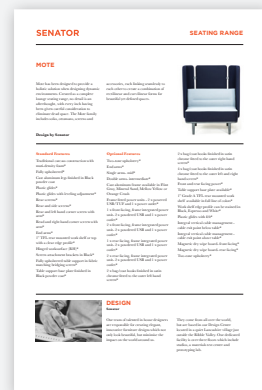

The Mote family includes sofas, ottomans, screens and accessories, each linking seamlessly to each other to create a combination of rectilinear and curvilinear forms for beautiful yet defined spaces.

DESIGN

Senator

Our team of talented in house designers are responsible for creating elegant, innovative furniture designs which not only look beautiful, but minimize the impact on the world around us.

They come from all over the world, but are based in our Design Center located in a quiet Lancashire village just outside the Ribble Valley. Our dedicated facility is over three floors which include studios, a materials test center and prototyping lab.
