WALLSTREET
PANELS

With every Senator design comes a great deal of thought. The design process starts way before pencil reaches paper, beginning with looking at you. We look at how you sit, reach, move, and work to create a design which not only looks beautiful, but is a pleasure to use too.

Behind every Senator product is a fusion of intelligent thinking and innovative engineering to create products which support people whether they're focusing, collaborating, presenting, or organizing.

WALLSTREET
DESKS & TABLES

With every Senator design comes a great deal of thought. The design process starts way before pencil reaches paper, beginning with looking at you. We look at how you sit, reach, move, and work to create a design which not only looks beautiful, but is a pleasure to use too.
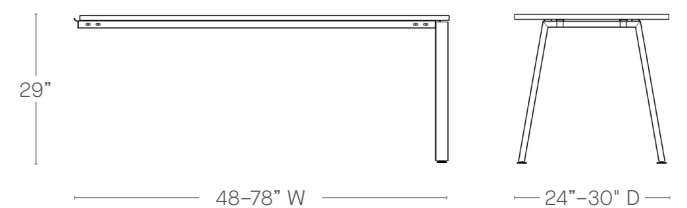

Behind every Senator product is a fusion of intelligent thinking and innovative engineering to create products which support people whether they're focusing, collaborating, presenting, or organizing.
