

## DENSITI

# FIRST IMPRESSIONS MATTER

To design a chair with the lightest of touches, at a time when we are all increasingly aware of material usage it is right to focus on simplicity and achieving more with less. Densiti has a calm poise and perfect proportions.

Densiti is a general use seating product that is relevant to the

workplace, meeting spaces, conference spaces and venues, public auditoriums, places of worship and throughout the educational landscape.

Densiti has been designed to stack in the most optimal, space efficient, way and 40 unupholstered chairs can

be stacked on the transport trolley and still be moved freely around a building. The underside of the seat is fitted with stacking buffers to ensure that there is no damage caused by stacking and storing the chair.

## DIMENSIONS

OH-Overall Height OD-Overall Depth OW-Overall Width AH-Arm Height BH-Back Height SH-Seat Height SW-Seat Width SD-Seat Depth

## DENSITI

### STANDARD FEATURES (\*Selected models only)

- Upholstered chair stacks up to 12 high without trolley\*
- All wood chairs stack up to 14 high without trolley\*
- Plastic chairs stack 40 high on trolley\*
- Wire frame
- Veneer seat\*
