

Chemistry incorporates a height adjustable workstation solution to respond to the needs of today's office, where simple elegance and inherent functionality are a must to meet a multitude of applications. Chemistry height adjustable desks make individual requirements possible, allowing the option to vary posture and stand whilst working.

DESIGNER

Senator Design

Our team of talented in house designers are responsible for creating elegant, innovative furniture designs which not only look beautiful, but minimise the impact on the world around us.

They come from all over the world, but are based in our Design Centre located in a quiet Lancashire village just outside the Ribble Valley. Our dedicated facility is over three floors which include studios, a materials test centre and prototyping lab.
