

This constant reaction to the change of an individual's daily working routine was the catalyst for Adapt. Born out of the idea to create mobile partitions — to enable more agile, fluid, and flexible spaces — empowering every user to create spaces that work for them at that moment.

## DESIGNER

### Senator

Our team of talented in house designers are responsible for creating elegant, innovative furniture designs which not only look beautiful, but minimise the impact on the world around us.

They come from all over the world, but are based in our Design Center located in a quiet Lancashire village just outside the Ribble Valley. Our dedicated facility is over three floors which include studios, a materials test center and prototyping lab.

## CERTIFICATION

---

### Standard Features

- 78" High aluminium powder coated frame
- Casters
- 50 / 65" wide frames
- TFL / Fabric / Drywipe / Magnetic Drywipe / Media panel options
- Glides
- Shelves
- Sliding Door Storage
- Drawer Storage
- Coat Hanger

### Performance Standards

- EN 1023: Part 2: 2000
- EN 16121:2013+A1:2017

## ENVIRONMENTAL PERFORMANCE

### Material Content

Components are constructed of the following

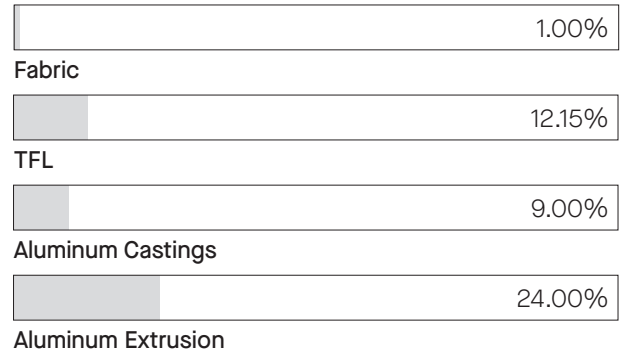

### High Pressure

Environmental information for this range has been based on AW7865FFD. For more detail please refer to individual EPA sheets.

### Recycled Content

Contains up to 46.15% of Recycled Material

### Recyclability

The range is 99% recyclable

# 99%

## THE THREE R'S

Senator is committed to continually improving the sustainability of all environmental aspects within our business. To meet both international standards and our own environmental targets we apply the three R's principle – **Reduce, Reuse and Recycle**.

Whilst recycling is the element which receives the most exposure it is actually the last option available and should never be the prime target in anyone's battle to reduce waste.

It is our duty as individuals and as a company to initially attempt to **Reduce** usage. Then we should look to **Reuse** wherever possible and finally, only after these two processes have been exhausted, should we consider **Recycling**.

–Reduce  
–Reuse  
–Recycle

## FINISHES

---

### Options

- Aluminium frame available in Black or White powder coat
- Fabric panels available in Camira Blazer
- TFL panels available in Maple or Strata Oak

### Frame Finishes

---

Black

White

### TFL Finishes

---

Maple

Strata Oak
